## MAGICALLY PERFECT POPCORN

### Ingredients

- 1/2 cup popcorn kernels
- 3/4 tsp Magic Dust or to desired
- 1/4 cup butter

**Prep Time: 1 Mins**

**Cook Time: 2 Mins**

### Instruction:

1. Pop 1/2 cup popcorn kernels on the stovetop or air popper.
2. While the popcorn is popping, heat the butter in a small pot over medium-low heat until melted.
3. Add the Magic Dust directly to the butter until blended. Immediately remove from heat.
4. For best results, pour half of the butter mixture on the popcorn and stir until well coated
5. Add in the remaining mixture and stir.
6. Give it a taste, and add more magic Dust if desired. Remember to go light on the Magic Dust the first time around. While you can always add more later, you most certainly can not remove it.

### Recommended Substitutions/Additions:

- Use Magic Dust<sup>3</sup> or granulated garlic to replace ordinary Magic Dust
- Use Microwave Popcorn
- For meat lovers, fry up some bacon. or sausage
- Substitute butter with avocado oil or sunflower oil
- Add Salt
